

UP LEVEL TASMANIA MINECRAFT SHOWCASE

Level Up Tasmania is the new all-Tasmanian gaming show in Hobart this **April 17-18**. To show off local talent, we're running a competition for students about gaming in Minecraft.

☆ Show off your skills to WIN! ☆

The competition is open to lutruwita/Tasmania-based students up to Grade 12, in groups of up to 5. Entries are open until **Friday 10th April 2026**. Selected entries will be featured at Level Up Tasmania, with the best 3 winning **\$100 of credit at Area 52** each.

It's all about **gaming**. Build something related to gaming, recreate something from another video game, or invent a whole new minigame **inside Minecraft**. Submit it as either screenshots or a playable world file, and tell us what you made and why. **It's that easy!**
